AST is an Oracle University Certified Training Partner and an authorized reseller of Oracle University products and services. Oracle's training partners are carefully chosen by Oracle University for their experience, expertise, and teaching skills. AST's partnership and certification with Oracle ensures that you will receive the highest quality training and the full complement of Oracle University benefits:

- ◆ Expert instruction and certification preparation
- ◆ Training materials made by Oracle development teams that create Oracle products
- ◆ Up-to-date and accurate Oracle courseware
- ◆ Instructors certified and approved by Oracle University

AST can provide classes as public or private events, and will deliver training with flexibility to meet your staff's requirements and your project timelines. As a Certified Training Partner, discounts are available through AST for courses included in the Oracle University Course Catalog.

For more information on AST's education services, contact our training coordinator, **Fatima Beach**, at (888) 278-0002 Ext. 230, or send an e-mail to fbeach@astcorporation.com.

Instructor-Led Training

AST offers instructor-led training, a comprehensive learning format providing hands-on experience to match job roles and prepare students for Oracle Certification exams.

Private Events

Private event training is provided on behalf of a single client, a cost-effective way to provide a customized program based on your organization's requirements and Oracle implementation.

Learning Credits

Learning Credits assist you in managing your current and future Oracle training needs. Plan your training in advance and manage your budget over the course of your training timeline.

Project Training

Our hands-on, instructor-led or train-the-trainer training during an upgrade or implementation is unique for each client, tailored to your learners, your content and your technology.
