

## ORACLE ADVANCED PROCUREMENT FUNCTIONAL CONSULTANTS

AST is currently seeking Oracle Advanced Procurement Functional Implementation Consultants to support new projects starting over the next few months. Candidates will need to demonstrate solid hands-on functional implementation experience with primary focus on Oracle Procurement/Advanced Procurement (prefer strong iProcurement background).

These are full-time exempt salaried positions; relocation not required, but travel would be anticipated.

**Requirements:** 4 year college degree (or equivalent experience). Candidates who have recently worked on R12 implementation projects with Public Sector clients are highly desired.

**Special requirements:** Proficient in facilitating discussions with client's business representatives. Experience must demonstrate strong analytical skills, problem solving/debugging skills and excellent written/verbal communication skills.

Please email a current Word version of your resume to: [hireing@astcorporation.com](mailto:hireing@astcorporation.com) or apply through our Dice job posting for consideration.

**AST Corporation** is an Equal Opportunity Employer.
