

## ORACLE SOA/MIDDLEWARE TECHNICAL CONSULTANTS

**AST** is currently seeking an Oracle SOA Middleware (Message Broker) Technologist to support the growing interest from our customer base in Oracle SOA Middleware solutions.

These are full-time exempt salaried positions; relocation not required, but travel would be anticipated.

**Requirements:** 4 year college degree (or equivalent experience). 4+ years of BPEL technical development experience supporting Oracle Advanced Technology Message Broker implementations. Specific experience should demonstrate solution design and implementation experience using Oracle's SOA/BPEL Middleware technology and completed two or more recent successful implementations of Oracle SOA/BPEL Middleware solutions. Excellent verbal and written communication skills.

**Additional (Optional) Skills:**

- Experience with 11i/R12 EBS Applications
- OCP Certification
- Oracle AIM methodology
- Experience with presenting papers at conferences

Please email a current Word version of your resume to: [hiring@astcorporation.com](mailto: hiring@astcorporation.com) or apply through our Dice job posting for consideration.

**AST Corporation** is an Equal Opportunity Employer.
