

ORACLE TREASURY FUNCTIONAL CONSULTANTS (NATIONAL)

AST is currently seeking to hire several Oracle Functional Consultants to support projects located across the US. Candidates will need to demonstrate solid hands-on functional implementation experience with Oracle R12 Treasury and Cash Management modules. Candidates who have recently worked on R12 implementation projects with Public Sector clients are highly desired. These are full-time salaried positions; relocation not required, but travel would be anticipated.

Requirements – 4 year college degree (or equivalent experience) in Business, Computer Science, Computer Information Systems, Engineering or Mathematics and 4+ years of related experience.

Special requirements – Experience with Oracle E-Business Suite, PL/SQL, Toad and SQL. Travel to unanticipated client sites required, relocation not required.

Please email a current Word version of your resume to: [hiring@astcorporation.com](mailto: hiring@astcorporation.com) or apply through our Dice job posting for consideration.
