

## **PROJECT MANAGERS – ORACLE R12 EBS IMPLEMENTATIONS (NATIONAL)**

**AST** is currently seeking project managers that will be responsible for the functional and technical management and leadership of AST's Oracle R12 EBS fixed-cost implementation projects with our Public Sector clients because of our continued growth and consistent award of new projects. Project Managers are responsible for the functional and technical management and leadership of AST's Oracle R12 EBS fixed-cost implementation projects with our Public Sector clients.

These are full-time exempt salaried positions; relocation not required, but travel would be anticipated.

**Requirements:** 4 year college degree (or equivalent experience) and Oracle project management related experience.

**Special requirements:** Required to manage and lead complex implementation/upgrade projects and be responsible for client relations. Must have Oracle R12 E-Business Suite (Financials, Procurement and Projects/Grants) Application experience. Must have a demonstrated background in leading successful full life cycle EBS implementation projects. Additional responsibilities may be assisting in reviewing business leads and prospects with sales staff and assisting in proposal creation, presentations, staffing and project planning. Excellent written/verbal communication skills.

Please email a current Word version of your resume to: [hiring@astcorporation.com](mailto:hiring@astcorporation.com) or apply through our Dice job posting for consideration.

**AST Corporation** is an Equal Opportunity Employer.
