HEADLINE: AST Corporation awarded GSA Contract for Oracle IT Professional Services and Oracle IT Training

Naperville, IL – Applications Software Technology Corporation, an Oracle Certified Advantage Partner has been awarded a contract by the General Services Administration (GSA) under the Federal Supply Schedule program. Under contract number **GS-35F-0921R** for the period December 7, 2005 to December 7, 2010, AST is qualified to provide Oracle professional services and training under the GSA/FSS Schedule to the Federal community. AST's GSA Price List has a set of terms and conditions and prices negotiated by the General Services Administration (GSA) and AST for the acquisition of Oracle products and services by U.S. Federal Government agencies.

GSA Contracting Officers award Schedule contracts to companies that meet strict criteria for quality and competitive pricing. The GSA award provides a streamlined contract vehicle for government customers to purchase AST's Oracle Applications consulting services, which have been proven through 10 years of serving public sector organizations. AST's GSA contract will allow government agencies facing Oracle Applications and Database challenges a smooth and low-cost purchasing solution.

Additional information can be found at
