HEADLINE: AST Corporation Awarded the 2009 Oracle Titan Award for Public Sector Solution

SAN FRANCISCO, CA – October 11, 2009 - AST Corporation was honored as a recipient of the sixth annual North America Oracle Titan Award, presented this evening at the Oracle OpenWorld conference in San Francisco. This award recognizes AST's achievement in developing and implementing Oracle E-Business Suite based solutions for Public Sector customers.

"In winning Oracle's 2009 North American Titan Award in the Public Sector Solutions category, AST Corporation has once again demonstrated their commitment to the Public Sector while their expertise integrating Oracle's E-Business Suite reinforces why clients rely upon them as a trusted implementation partner." said Tyler Prince, Group Vice President, North America Applications Channel Sales. "AST is one of Oracle's go-to partners within the Public Sector marketplace. The success of the Fare Media Processing solution offers validation that AST has the depth and skills to execute complex Oracle E-Business Suite projects in the Public Sector."

The North America Oracle Titan Award recognizes partner excellence in a number of categories including marketing, technology and solution development. In accepting the award for AST Corporation, CEO Pravin Kumar acknowledged how proud he was for this recognition and expressed his appreciation of the AST's team that helped achieve this remarkable status for the company.
