## Record Number of Presentations on Innovative Solutions and Oracle Best Practices to be Delivered by AST Team Members at Collaborate13

Eleven presentations spans entire conference, demonstrates AST's expertise with latest Oracle technologies and project services

**Naperville, IL April 5, 2013:** Setting another example of AST Corporation's position as a thought leader and a specialized, recognized and preferred Oracle systems integrator, 11 AST team members will deliver presentations on a wide breadth of topics at Collaborate13, the upcoming technology and applications forum for the Oracle community.

Having brought innovative solutions to clients across numerous industries over the past year, AST consultants will provide their expertise on and practical knowledge of the functional, technical and training needs facing organizations which own or are looking to implement or upgrade Oracle applications and technologies.

The following 11 presentations are scheduled:

- Order Fulfillment – R11.5.9 to R12.1.2 Upgrade Tips & Tricks
- WebLogic Server System Administration – Top-10 Concepts You Must Know
- Oracle SOA Suite for High Availability Enterprise
- Top 10 Tips & Tricks for Oracle Business Intelligence
- The ACE in the Hole – Accepting the Change Evolution to Positively Impact Your ERP Implementation
- Understanding OTL Transfer to BEE and the New Rollback Functionality
- Super-Charged Oracle Business Intelligence 11g with Essbase and SmartView
- Talking Services Oracle ADF and Oracle SOA Suite
- Introducing a New Vision for Performance Based Budgeting in Municipal Government
- Implement a Winning Change Management Program on a Shoestring Budget
- Deploying for Success on the Cloud: EBS on Amazon VPC

Collaborate13 will take place April 7-11 at the Colorado Convention Center in Denver, Colorado. For more information visit <http://collaborate.oaug.org>.

### About Collaborate13

The Independent Oracle Users Group (IOUG), the Oracle Applications Users Group (OAUG) and Quest International Users Group (Quest), present COLLABORATE 13: Technology and Applications Forum for the Oracle Community. As an educational conference, COLLABORATE 13 helps users of the full family of Oracle business applications and database software gain greater value from their Oracle investments. Created by and for customers, COLLABORATE 13 offers an expert blend of customer-to-customer interaction and insights from technology visionaries and Oracle strategists. Expand your network of contacts by interacting with Oracle

customers, solutions providers, consultants, developers and representatives from Oracle Corporation at COLLABORATE 13.
