Oracle Training On Demand Quarterly Goals Reached by AST

Naperville, IL March 17, 2014: AST Corporation, an Oracle software and training reseller and Oracle Approved Education Center, has been recognized for attaining resell goals in Oracle's Training On Demand Initiative partner contest.

AST achieved qualifying quarterly sales for Training On Demand, which offers the same instructor-led equivalent without the expense and inconvenience of travel. Students enjoy the flexibility of completing their training for 90 days along with access to 6-consecutive days of lab practice. The environment is configured exclusively to the course.

AST Corporation is a Platinum level member of Oracle PartnerNetwork.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.
