## City of Regina, Saskatchewan, Canada Partners Again with AST Corporation for HRMS Services

**Naperville, IL June 6, 2014:** The next phase of the City of Regina’s major Business Transformation (BT) program to become “the best run municipality in Canada” has begun. As part of this milestone, AST Corporation has been selected by the City to provide an integrated human resources and payroll solution within the City’s Oracle E-Business Suite R-12 platform.

The City’s BT program contains four transformation initiatives: Human Resources Information Management, Procurement, Asset Financial Tracking and Executive Management Reporting. AST will be responsible for fulfilling the City’s HR implementation goals:

- Increased efficiencies and seamless processing of information for the administration and management of human resource functions through an integrated corporate HR/Payroll system.
- An integrated solution within the City’s Oracle E-Business Suite R-12 platform.
- An integrated, flexible HR/Payroll system to meet the current and future needs of a growing city, while ensuring data integrity and security.
- Position the City with the opportunity to implement in subsequent phases, future HR best practices such as Employee and Manager Self-Service, iRecruitment, and Learning Management.

In 2013 AST performed the pre-implementation planning and scoping for the City’s HRMS project. The City provides HR and Payroll services to approximately 2,700 union and non-union employees within five collective bargaining units.

AST Corporation is a Platinum level member of Oracle PartnerNetwork.

### About the City of Regina
