## Oracle Identity Governance Suite 11g and Oracle Access Management Suite 11g Specializations Achieved by AST

**Naperville, IL November 7, 2014:** AST Corporation, an Oracle Platinum Partner and three-time recipient of the prestigious Oracle Excellence Award, today announced its achievement of Oracle PartnerNetwork (OPN) Specializations for Oracle Identity Governance Suite 11g and Oracle Access Management Suite 11g.

AST's established and award-winning Middleware practice enables its customers to rapidly deploy enterprise Identity and Access Management infrastructure platforms which focus on every aspect of enterprise security, including Directory Services, Identity Governance, Access Management, and Mobile Security.

The Identity Governance Suite 11g Specialization follows closely AST's Access Management Suite 11g Specialization achieved in early October of this year. By achieving these specializations, AST is distinguished by Oracle for its experience and expertise in developing solutions and delivering services centered on Oracle Identity Governance Suite 11g and Oracle Access Management Suite 11g.

"As an Oracle Fusion Middleware Pillar Partner and now specialized partner in Oracle Identity Governance and Oracle Access Management, AST has demonstrated its capabilities in the Oracle IDM space as a trusted and valued partner to our customers and Oracle," said Shyam Kumar, Senior Director for AST's Middleware Practice.

In addition to these recent achievements, AST has earned specializations in other Oracle middleware technologies:

- Oracle WebCenter Content 11g
- Oracle Application Development Framework 11g
- Oracle SOA Suite 11g
- Oracle Business Intelligence Applications 7
- Oracle Business Intelligence Foundation 10

AST Corporation is a Platinum level member of Oracle PartnerNetwork.

### About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through

competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.

## About AST Corporation
