# Prince William County, VA Selects AST to Implement Oracle's E-Business Suite with Oracle Managed Cloud Services

**Naperville, IL February 24, 2015**:  Prince William County, VA has awarded AST Corporation with a contract to provide implementation, integration, training and support, including E-Business Suite, Business Intelligence, and Hyperion Planning.  Oracle Managed Cloud Services will provide hosting and support services for the solution.

As the foundation for its private cloud ERP system, Prince William County has selected Oracle E-Business Suite, Business Intelligence Technology and Applications, Hyperion Planning, and User Productivity Kit.  These products comprise a system that spans business functionality including financial accounting and reporting, project accounting, budgeting, human resources, payroll, procurement, and operations within Prince William County.

*"After an extensive and thorough vendor selection process, the County selected AST/Oracle to implement a cloud-based platform for its financial management system, because they presented the best solution for our organizational needs."* – Michelle Attreed, Director of Finance, Prince William County Government

AST Corporation is a Platinum level member of Oracle PartnerNetwork.
