Realtor.com® Signs Contract with AST for Transformational Cloud ERP Implementation

Naperville, IL February 7, 2018: Realtor.com® today signed a contract with AST for the implementation of Oracle's Enterprise Resource Planning (ERP) Cloud.

Arul Daniel, Vice President of Enterprise Systems for realtor.com says of the partnership, "Our collaboration with AST has been a productive one ever since our first engagement that was initiated more than three years ago. The AST team has been extremely knowledgeable and AST has played a critical role in our Digital and Cloud transformation journey. The decision to partner with AST for our Oracle Cloud ERP implementation was a natural next step as they have earned our confidence and showcased their skill, domain expertise and commitment to leave no stone unturned for a successful rollout."

AST is a trusted Oracle partner to realtor.com®, having delivered Oracle software and expertise to nearly every business function of its enterprise over the last several years. AST has partnered with realtor.com® to provide business transformation with Oracle's Customer Experience, Enterprise Resource Planning, Marketing, Middleware, Master Data Management, and Enterprise Performance Management products, as well as ongoing Managed Services support.

In a highly competitive process against other well-known enterprise software providers from around the globe, AST and Oracle were successful in delivering realtor.com® the right ERP solution to meet its needs. The project will include implementation of Oracle Cloud Financials, Purchasing, Self-Service Procurement, Supplier Portal, Procurement Contracts, Automated Invoice Processing, Account Reconciliation Cloud Service, and Financial Consolidation and Close Suite. Set to commence mid-February, the project is expected to span eighth months, concluding in October of this year.

"AST has shown realtor.com® that our solutions and technical expertise are the right combination to make them successful on this journey," says Niken Patel, AST's Executive Vice President of Commercial Business. "The AST-realtor.com® partnership has resulted in projects across every one of AST's practices and nearly every business function for their organization. This is a great success for both of our organizations and we look forward to continuing our partnership with the Move Network of brands."

AST LLC is a Platinum level member of Oracle PartnerNetwork.

About realtor.com®

Realtor.com® is a trusted resource for home buyers and sellers, offering a comprehensive source of for-sale properties and the information, tools, and professional expertise to help people move confidently through every step of their home journey.
